OUR MISSION

We exist to serve, educate, and rescue those in their most vulnerable state in Africa, all while guiding individuals toward a passionate relationship with Jesus, the author and perfecter of our faith.

Our aim is more than social or justice upliftment (although an immediate need here in Africa); it extends to the Great Commission to “go make disciples of all nations” (Matthew 28:19-20).

We do this through five main outlets (core pillars) that we believe help execute the God-given vision for Impact Africa:

IMPACT KIDS

IMPACT STUDENTS

IMPACT BABY RESCUE

IMPACT MISSION ADVENTURES

GLOBAL INTERNSHIP

These five pillars work hand in hand with each other on a daily basis to ensure that everything we do is to serve, educate, and rescue the lost, the least, and the lonely right here on our front doorstep in Africa. What a PRIVILEGE to be used for His glory!

With a 14% growth year-on-year over the past three years, we're excited to share that we have already exceeded 1000 students enrolled across our 6 schools.

In addition to quality education every student receives 2 hot meals a day.

Statistically, every student represents a household of 8-10 members extending our reach to 10,000 lives every year through our Impact Schools.

With over 80 educators and administrators, this is not a simple program; this is a qualified education ecosystem where we get to bring hope to these communities around South Africa.

In 2025, we were excited to open up our first special needs classroom, a resource desperately needed in the communities where those with disabilities are often overlooked. In 2026 we will add two more Special Needs classrooms at our Kya Sands School location.

IMPACT STUDENTS

in front of
86,044
students

57,072
salvations

This is Impact! We've been able to engage, equip, and empower public high school students to help draw out the leadership potential in every student.

Through classroom and assembly presentations, we've been able to work hand in hand with students to help them overcome difficult circumstances at a pivotal time in their lives, many students fighting peer pressure, teenage pregnancies, and thoughts of suicide. Through the love of Jesus, we've been able to partner with schools to bring social and spiritual upliftment.

IMPACT BABY RESCUE

in front of **183,945** people

125 salvations

1,078 awareness presentations

5 adoptions **19** baby cases

18 new babies admitted to our care

Did you know that in South Africa, on average, 3,500 babies are dumped every year? This is a pandemic that is in dire need of rescue. Our Awareness team has gone above and beyond to ensure all soon-to-be mothers are filled with hope and better, safer options, despite the aggressive messaging of baby abortion in South Africa. The results we've seen have been staggering and nothing short of miraculous.

Our Impact Baby Rescue initiatives are consistently growing. In partnership with the Tim Tebow Foundation, we have five baby homes around Johannesburg. In 2025, we received our first Child and Youth Centre Certification, allowing us to receive more babies into our homes and arms of care. We're growing in 2026 with aims to receive this certification for even more of our baby homes.

Babies are being adopted, hope is being restored and we are seeing the goodness of God in this very land. We've received messages from clinics around Johannesburg confirming a decrease in abortions where our teams have brought awareness.. All glory to God!

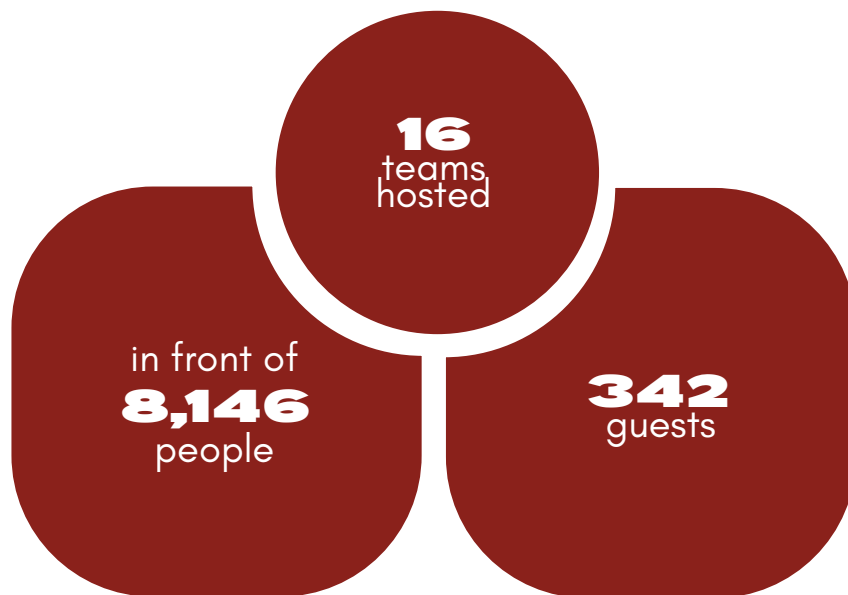

GLOBAL INTERNSHIP

This year, we've welcomed **16** international interns to discover and develop their God-given potential as great advocates of His love and deploy them into the field. With over 1,180 hours spent in the mission field, we've seen God move in miraculous ways through these interns but also in the lives of those they've ministered to. More than **30** interns will join us in 2026

IMPACT MISSION ADVENTURES

We're well on our way to exceed these numbers in 2026 with a great aim to welcome over **400** guests and **26** teams to our Mission Adventures program. In 2025, we expanded our mission base in order to to ready us for the increase in 2026. Working hand in hand with short-term mission teams allows us to supernaturally expedite the great need to share the gospel of Jesus in surrounding communities and around the world. In the space of as little as ten days at a time, teams have been wrecked by the heart of God, have witnessed healings in front of their own eyes, and have led others to brand-new relationships with Jesus. WOW!

MEDIA

Our online presence is going from strength to strength. We've been able to reach over **300,000** people online with a following of just under **20,000** on all our social media platforms. We have a mandate not just to be vessels of God's salvation and healing to those on the ground, but to share these mighty works with people all around the world. These miracles are for all to witness.

In 2026, we're pushing to increase our digital presence to well over **500,000** engagements in the hopes that we promote the glory of God in all that we do.

OUR VISION IN 2026

2026 is a year to *fortify* for Impact Africa. We're trusting God and stewarding our current resources to build strength and great momentum to the current work God already has us doing, never losing sight of what He's building through us.

Everything we do goes way beyond the numbers, the bottom line, and figures; it is all a greater means to glorify God in all that we do. In 2026 we know the fields are ripe for the Great Harvest. It's harvest season!

To you, our valued partner, what a great joy it has been to be a partner with you through all of what God has already fulfilled in us, and all that He will continue to do in 2026. Thank you for faithfully investing your time, talent, and treasure to ensure that the work and impact in Africa continues.

Continue to journey with us in 2026 as we go after the great prize of Jesus, bringing whoever we can into right standing with Him, and accelerating the great glory of God right here in Africa! The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace.

Faithfully Serving Him,

Rich & Michelle Franzen
