“Impact Africa’s mission is to serve, educate, and rescue individuals while provoking them toward a passionate relationship with Jesus Christ through socially relevant outlets of ministry service; which in turn deeply impact individuals, communities, and nations.”

MEET THE FOUNDERS

RICH AND MICHELLE FRANZEN began their journey on the mission field when they both embarked on their first short-term mission trips in their late teens. With hearts wrecked for the nations, they continued to pursue the Lord’s calling on their lives as they finished their education at Oral Roberts University. Rich graduated with a BS degree in Education and a minor in counseling, and Michelle with a BS degree in Education. Their hearts burned with a passion to help ease the suffering of the African continent, which led to the founding of Impact Africa in 2004.

WE SERVE, EDUCATE, AND RESCUE

THROUGHOUT SOUTHERN AFRICA THROUGH THE BELOW MINISTRY OUTLETS:

The goal of Impact Kids is to reach and educate the underprivileged, orphaned and at risk children, with quality, caring Christian education. Impact Kids is a place of refuge, love, and hope for children, where they receive quality education in a stable and safe learning environment.

Impact Students strives to engage, equip, and energize public high school students to develop and fulfill their potential while discovering their identity in Christ. Each week our Impact Students team is in front of 2,000+ students with the Gospel presentation.

Every day, 3 infants are abandoned on the streets of Johannesburg. The Impact Africa Baby Rescue Center exists to prevent baby abandonment, rescue abandoned babies, and provide life-long family care until each precious baby is adopted by their forever family. We are committed to being an advocate that will intervene on behalf of these desperate young mothers and their precious babies in order to ensure the best future for their children, while rescuing and preventing babies from being abandoned.
